

LEGACY LUAU 2025

**Location: MN State Fair Coliseum
1784 Judson Ave, Falcon Heights, MN 55108**

COACHES INFO:

Thank you for picking the Legacy Luau!

This meet is full and we want you prepared so the meet runs as smoothly as possible!

Modified Capital Format: A & B sides that include 2 floors!

Once Side A is done with their last rotation, especially floor, we will have the gymnasts immediately move to the awards area - even when side B is competing.

Moving athletes when they are done with side A will allow us to have the next session start open stretch on time! The schedule does not have extra time between sessions - so, if you're on side B and you have the next session, please send a coach to begin to stretch your next session. If you do not have an extra coach, please let the Meet Director (Kari Vaughn) know so we can have our floor manager assist you!

Gymnast Gifts: We will have each club's leotards separated by Xcel & Dev levels and ready for pick-up at the scoring table. We do not have many extras, so unfortunately we cannot swap sizes for you.

- All coaches must be registered through the USAG reservation system PRIOR to the competition.
- The coach's meeting will be at the SCORING TABLE, 5 minutes after the open stretch begins each session.
- The scoring table will have your mailbox with your athlete cards and rotations.
- Gymnast & Coaches check-in is at the entrance to the meet.
- Please dress-up in your best LUAU STYLE!
- Award age groups are divided up equally in ProScore.
- Live Scoring: www.scoreyourmeet.com along with the new ScoreCat App!
- Coaches Meals: Lunch, snacks, and dinner will be provided for back-to-back sessions!
