

Great News Legacy Class Families

Legacy Gymnastics can open on Saturday December 19th with a little different outlook! The Governors new executive order for the next 2 weeks allows us to open for make-ups and additional programming with some additional modifications. The next two weeks we will need to follow the additional safety protocols:

1. Legacy cannot exceed over 25% occupancy and less than 100 individuals in the facility. Legacy is planning programming for approximately 15% occupancy or lower.
2. Physical distancing of at least 6ft must be maintained whenever any individuals are in the facility from others that are not in their household.
3. Physical distancing of at least 12ft must be maintained whenever any individuals are actively exercising. (When the gymnasts are actively doing their gymnastics stations or exercising stations will be 12 feet apart).
4. Masks will need to be always worn by all individuals that are in the facility.
5. The current Legacy Safety protocols that are in place will need to be followed.
6. Spotting at this time will not take place, participants will only be asked to do the skills that they are able to do on their own.

Make-ups for classes missed November 21st - 25th:

Make-ups for our Recreational Families for classes missed from November 21st- 25th. These classes will have a little different format from a regular class in order to comply with the new guidance. The class will be structured to visit the events in a circuit format that will allow the participants to brush-up on their current skills. Please read our offerings in the program that your child is currently registered for.

Preschool Classes (Stars - Sparklers - SuperStars)

Legacy is offering 30 minute 3 on 1 Preschool Play. Coaches will give proper guidance to the gymnasts to explore and actively work on their stations located in the preschool room. We are asking parents to take part in their class to help assure the children can follow the new guidance.
